Run report for run 2201

Venue, 22 Whisky Rd Waverley

Hare: Boong This is the last Summer run of the year Autumn will be with us next Tuesday. The thermometer and the barometer have dropped and its starting to rain as Boong calls ON ON. .We are running in virgin LH3 territory follow the fence line behind the shed you are on flour chalk and surveyors pink tape. A good late cummers loop takes us through the paddock parallel to the highway before looping back to where we started. Bend-over is soon on trail and we are heading through the bush heading towards the new subdivision "Drovers Run". Boong the Collingwood supporter brings the pack out onto Mag-

pie Cres to a check. The rain has eased and rain coats are removed. Rainbow a late cummer has arrived at

the check well before the main Pack and can be heard calling ON ON way off in White Gum Rise. A circle around Escarpment Drive and White Gum Rise we find another check which enables most of the pack to bunch up again. The trail again enters into the bush and follows an old loggers track back towards the Launceston city Councils water filtration plant where we find Rainbow adding to the wa-

ter intake as he empties his bladder. The ON Home sign is found on a large rock near the locked gate at the end of the loggers track . The rain has started to fall again as we complete the 600 meter jog back to the ON ON site. As it's the only Bush run we have had all year it must be the best Summer run for 2016.

## ON ON:

Boong has certainly picked the ideal site for the ON ON Todd has a massive garage which Goblet and Buggy wish was in their back yards. The new committee takes over next week The old Trail Master has runs organised for the next two weeks taking the pressure off the new Trail Master. Delly the Lip has finished his last Lip session with another one of his great Jokes. It will be hard for next years Lip to equal his performance. The last of Bendovers raffle has been run and won, will there be Waterhouse road kill next year or will it be West Tamar Highway carnage.

The Committee that did not give a Flying F@ck is finally handing over the reins to the new Committee who will endeavour to have a run every week with ample beer but what type of beer will it be is the question the new committee will have to answer.

**Joke of the Week:** Submitted by Inlet

A Bus full of Hashers wives going to a Hash run crashed with no survivors. Each husband cried for a week. But one husband continued for more than two weeks. When asked why he replied miserably my wife missed the bus,

It is really confusing!!!
