## Weekly Bull Shit

Run report for run 2202

Venue, 73 Magazine Rd Dilston

Hare: Loggy. Autumn is with us but one would be forgiven for thinking we are still in Summer and Loggy has set

a summer run as was the tradition in the early days of LH3. Loggy has set the beer trailer up on the eastern side of his dam and the trail marked in flour starts from behind the beer trailer. The well marked trail takes the pack on a late cummers loop behind Loggys house and the dam. The trail comes

alive. Fingers says you are all a bunch of woos's places his fingerless hand on the post and vaults over the top. By this time Bendover is 300 meters ahead fighting his way through the bracken fern lined trail. As the pack catch up to Bendover a large tiger snake slithers across the trail

and disappears into the dense bracken ferns. The trail circles around the fence line of the paddock heading toward the East Tamar Highway. Just before we reach the Highway we come to a well earned check. With little respite Tyles is calling ON ON he has picked the trail up heading into one of Guns Pulp Wood Plantations. A couple of kilometers later we exit the

back past the trailer and heads through the paddock into the next door neighbor's property. The trail comes to a check at Magazine Rd. Bendover is soon calling ON ON . Bendover has slithered under an electric fence and has the rest of the Hashers wondering if the fence is

plantation and head back into farming paddocks a kilometer later we are back into the plantation for a short jog till we find the ON HOME sign scrawled on the road. A 1500 meter jog down the road over a fence and across the train line and we are back at Loggy's. If this is classed as a summer run it would certainly be in the running for the Best Summer Run of the year

## On ON:

The new Committee are taking full credit for organising tonight's run and the ON ON site at Loggy's ranch. Loggy has spent the last couple of weeks clearing the tea tree scrub from around the Eastern side of the dam with his trusty tractor. which now has a loose fly wheel as Loggy forgot to tension it up when he changed the clutch last week. a large pile of Tea Tree scrub has been piled up near the dam but Loggy [The Master of Disasters] is under strict instruction not to set it alight as we are still in a fire permit period. Tyles soon has the traditional Hash Fire Pot ablaze covering the site in thick acrid smoke. Goblet seems to have an endless supply of cherry tomatoes growing at home and has brought along another bag full for the Hashers to munch on. Sheila has announced that we are going to trial a mid strength keg in the near future Hash Hops Scary will get one as soon as our last heavy keg from Boags is drunk. Goblet cant wait to get into his Monks suit and is wildly ringing the bell calling for a circle to be formed.

## Skulls:

Our New Lip Blakey is not with us tonight so Sheila is the stand in Lip

The First to skull tonight is the Hare **Loggy**. It is a double skull for the Master of Disasters as he forgot to tension up the bolts of his tractors fly wheel when he changed the clutch last week Our Diesel Mechanic Boong said he has never heard fly wheel rattle so loud.

The next to skull is **Abba** for 1150 runs and **Scary** 1700 runs. There is some conjecture whether Scary's achievement is for 1600 runs or 1700 and if Abba has really done 1150 as he only skulled a couple of weeks back for his 1100 run milestone. Pash the Mathematician may be skulling next week But never let the truth get in the way of a good skull. On Down is called

## Raffle:

The New Monk Goblet has decided to continue with the Water House Road Kill meat trays when they are available and he is out to beat the terrific amount last years monk raised which paid for most of the change over dinner and allowed us to pay Scary for our beer. Well done **Bendover** and all those who supported the weekly raffle.

**Joke of the Week:** Submitted by Bendover

Two blondes were

- > filling up at a gas station and the first blonde says to the second,
- > "I bet these awful gas prices are going to go even higher."
- > The second blonde replies, "Won't affect me, I always put in just \$10

- > One day,
- > a Hashers husband came home from the office and found her sobbing
- > convulsively.
- > "I feel terrible," she told him. "I was pressing your suit and I
- > burned a big hole in the seat of your trousers."
- > "Forget it," consoled her husband. "Remember that I bought an extra
- > pair of pants for that suit."
- > "Yes, and it's lucky for you that you did,"
- > said Jill, drying her eyes. "I used them to patch the hole."

> Two blondes were

- > The other blonde covers one of her eyes and says, "Where?"

- > A blonde decided

- > and the two rooms were identical in size.
- > "Buffy," she said, "How many rolls of
- > wallpaper did you buy for your bedroom?"
- > "Ten," said Buffy.
- > So the blonde bought the ten rolls of paper and did the job,
