RUN No 2214 13 Fryett St Waverley Hare: Bendover

## LH3 Hash

***Some times*** Weekly Bull Shit (new Boong size font for easy reading)

**Run report for run 2214** The Hashers have assembled at 13 Fryett St Waverley waiting for Bendover to send them on their way. Bendover finally gets Rickshaw to blow the Horn and gives some final instructions and warnings. You will need a torch and a baseball bat, stick together particularly at checks. Beware of stray dogs and Bogans that have ventured into our suburb from Ravenswood. The trail starts with a good late cummers loop as we circle pass Fryett St a couple of times before heading East to Emitta Parade for a check. Sprocket is soon on trail and can be heard calling ON ON behind the Primary school. Rickshaw blows the horn which is a mistake, there is an old saying let sleeping dogs lie, the horn has woken them up and there are a thousand or so

dogs baying in unisons to the Horn. Waverly must be the dog capital of Tasmania. The trail circles around Waverly

lake and comes to a false trail half way up the Ravo link Rd. Blakey calls ON ON in Magnet St. the trail zig zags through the side streets then disappears into the darkness of the Yarloop St Park A.K.A known as the stolen car grave yard. Abba can be heard calling ON ON Breathe in Breathe out as he heads down the Tasman Highway heading towards St

Leonards. A false trail is

found half way down the hill. Thumbs has been following at the rear of the pack and checks up Humphrey St. and finds the On Home. 400 meters and we are back at the ON ON site. Another good run set by Bendover in the war zone of Ravenswood and Waverley.

## ON ON:

The Hash Horn Rickshaw has staggered back to the ON ON site after stirring up the thousands of dogs around Waverley as he kept the pack together blowing the Horn. The Howl of the dogs can still be heard emanating from the norther side of the highway as the last Hasher Boong returns. Another cool night in Waverley, Scary has kept the XXXX mid strength beer in the freezer all night and it is pouring to perfection but it is bloody cold pity the Hashers who have to ON DOWN tonight. Its been rumoured we have a couple of anniversary runs tonight. Goblet has delved into his archives to quickly check Hash Pash's arithmetic and all seems to be above board for once. Hash Pash has set up his office near the bird cage and is collecting over due monies for his latest Hoodies order.

## Raffle:

Rickshaw : two bags of Goblets finest lollies from the reject shop.

Abba: A bottle of leg opener he will be in luck to-night.

Delly: Car wash kit

Blakey: Leg of mutton disguised as spring lamb

## On Downs:

Its not NAIDOC week or the indigenous round of the AFL but one of our esteemed runners has been on walkabout in the outback a couple of times in the last year, the last time with his buddy Hash Pash. This Hasher has decided he no longer wants to be known as Boong [as it may offend his black brothers] he is now to be called Garry. Up you get Boong sorry GARRRRY its your time to skull

Bendover tonight's Hare is the next to skull, followed by Tyles for helping his twin brother burn down his Housing Commission home.

Two anniversary skulls tonight Sprocket 100 Runs and Hash Pash 500
