RUN No 2218 53 Newlands st Trevallyn Hare: Scary

## Weekly Bull Shit -

### Run report for run 2218 - The Power Pole Run

#### “ Unauthorised Use of Aurora Poles and Lighting Columns

Unauthorised signage, graffiti and advertising is strictly prohibited on Aurora poles and lighting columns. Where practicable, Aurora staff, contractors are encouraged to remove unauthorised signage and posters from Aurora poles. In cases where the signage owner can be clearly identified Asset Services shall send letter US1 (Annexure E) to the signage owner, requesting that the signs or posters be removed and to advise what legal action may be taken ”

In total disregard and respect of the law the defiant Scary went about and posted his run directives on several of Aurora’s precious assets; desecrating the sacred woodwork with drawing pins and electrical tape. The first of these obscenities was on the corner of his very own street and Cherry Road with the

offending A4 sheet directing the trail to Forest Road. The geographically challenged and illiterate looked

dumbfounded but soon followed others that were educated in Riverside navigation - on down to Kero’s Fish & Chips – a dangerous move? Usually; as this would be enough for the fat bastards to lure the pack to the fragrance of bubbling cotton seed oil frying up an assortment of artery blocking fare. Luckily Tag is still in WA and Rainbow has gone to Istanbul so it was on-on to Bain Terrace where more pole graffiti indicated the trail to Trevallyn Shopping

Centre. Another posting sent the pack to Max Fry and yet another requesting a double back to Bald Hill. The final placarded misdemeanour in Chewy’s street was called as “On on to Riverside Shopping Centre”. Fuckin’ funny bastard that Tiles A – the real wording indicating the end of Scary’s criminal activity and On Home. So when we had finished rolling around splitting our sides with laughter we picked our selves up and did exactly that.

## On On:

One could smell the quality dry firewood burning at quite some distance. The sweet scented smoke worthy of curing the finest Pacific halibut, sturgeon or even Tasmanian Salmon; alas tonight it would only permeate our clothing..... acrid enough (on the advice of the good lady, her indoors) for the tainted garments to be discarded at the back door when arriving home.

With a little heat coming from the fire and very little ice on the cooler plate Blakey began the lip session.

### Joke of the Week:

An oldie but still gives a few chuckles -Do you need a laugh??

What Religion is Your Bra?

A man walked into the ladies department and shyly walked up to the woman behind the counter and said, 'I'd like to buy a bra for my wife.. '

'What type of bra?' asked the clerk.

'Type?' inquires the man, 'There's more than one type?'

'Look around,' said the saleslady, as she showed a sea of bras in every shape, size, colour and material imaginable. 'Actually, even

with all of this variety, there are really only four types of bras to choose from . '

Relieved, the man asked about the types. The saleslady replied:

'There are the Catholic, Salvation Army, Presbyterian, and the Baptist types. Which one would you prefer?'

Now totally befuddled, the man asked about the differences between them.

The Saleslady responded, 'It is all really quite simple.'

The Catholic type supports the masses; The Salvation Army type lifts the fallen;

The Presbyterian type keeps them staunch and upright;

The Baptist type makes mountains out of molehills....

Have you ever wondered why A, B, C,D, DD,E ,

F, G, and H are the letters used to define bra sizes?

If you have wondered why, but couldn't figure out what the letters stood for, it is about time you became informed!

{A} Almost Boobs.

{B} Barely there.

{C} Can't Complain.

{D} Dang!

{DD} Double dang!

{E} Enormous!

{F} Fake.

{G} Get a Reduction.

{H} Help me, I've fallen and I can't get up!

Send this to all who will appreciate it!

P.S. They forgot the German bra.
