LH3 Hash Weekly Bull Shit -

Run report for run 2234 2-Bob's Dog Run Run

Two Bob – will he have the audacity to serve up another left, right, L/R run?

No, not tonight; as the story goes – his dog escaped the backyard just as he was out to set the run – so, killing two birds with one stone he "cleverly" set the run on the trail of retrieving his canine companion. Technically speaking the escaped flea bag decided the trail white sniffing for on heat females and out pissing other male dogs in the area ..... actually I think that is how 2 bob normally sets the run regardless of tonight's circum-stance. The trail traversed the usual back alleys and streets where wanton bitches would hang out to eventually emerge on Country Club Avenue. Its here where Max (the dog) ventured further from his kennel so 2-Bob dropped a check and followed his faithful companion through the walkway be-hind the soccer complex eventually crossing the main road. A bit of chasing in Lomond View subdivision led to 2-Bob finally collaring the testosterone charge pooch in Chris Street. On with the lead for Max and ON HOME on top of pavement for Hash – job done – no-one will ever know.

ON ON:

Back at the kennel conversation turned to the quality of the run. General consensus it was an okay sort of run. Then the world renowned Swedish Hash run expert threw in his two Krona's worth with a direct attack at 2- Bob. He said, (Australian interpretation, with editors licence) "YA you have been running hash for many years YA and you had many attempts at setting runs YA – by now you should know what you are doing YA tonight's run was a heap of shit YA you should know better YA – I won run of the year with the very first run I set with LH3 YA but your runs are just shit YA". 2-Bob said nothing, took it all on the chin, then went over and kicked his dog. Next time hopefully Max will set a run more to the SFW liking.

2-Bob's open grid fire was roaring and memories of his "The smokiest Fire Pot in Hash History" paled to insignificance. Blakey fronted the mob and had 2-Bob imbibe a healthy serving of ale.

On Downs:

2-Bob – Hare

Sheila – received stolen property

Tiles – magnificent milestone 1200 runs, well done!

Goblet's most excellent rigged raffle:-

Pash – wine in a bottle

Blakey – more wine in another bottle

Thursday 6th October 4 Bayview Drive Blackstone Heights. Leonards Hare: Mr. Sheen

A wife asked her husband: What do you like most in me, my pretty face or my sexy body?..
He looked at her from head to toe and replied: your sense of humor.

Husband is walking behind his wife and says, "Your bottom is getting so big it looks like an old washing machine."
The woman keeps quiet and keeps walking.
Bedtime comes around, the husband starts getting amorous.
Wife says: "I'm not starting the old washing machine for such a small load. You'll have to do it by hand !"
