RUN No 2236 26 Morley Rd Trevallyn Hare: Inlet

LH3 HashWeekly Bull Shit -

Run report for run 2235 Leftovers Run

A late venue change sees this run at Tiles block with Inlet as the Hare and for good reason; Tiles' gourmet skills have proved beyond reproach but his quantity surveying needs refining. After the Grand Final run there was a mountain of food left over, so as not to waste why not return to the scene for a rerun? Inlet had thankfully changed out of his wife's Sydney Swans fancy dressups to set the run. Since Saturday damage had hit the site with the Ship Loads tarpaulin suffering the wrath of the sou-westerly, luckily the heavy barrel was the only casualty from Saturday and there was ample XXXX.

Inlet chose a simple run in the sodden conditions with trail going around the old Hydro Village, through Lions Park, up Pitt Ave then doubling back through South Pomona and the soggy easement, North Pomona and past Disease's house. No sign of Disease but one could clearly hear f#*!%g noises emanating from within as he had only just returned from a marathon 6 week motorbike trip on the mainland and had a massive backload and a power of catching up to do with his good lady. The run mucked about on the side of the hill for a while until the on home found in one of the storm drains.

ON ON:

Back at the OnOn Tiles had reheated the surplus fare and re-kindled the fire pot with twenty litres of two stroke fuel. Once beers were in hand it felt like Saturday all over again. A circle had already preformed around the fire so Blakey was wasting his breath calling for it – but he did it anyway

Inlet - the Hare front and centre

Inlet - more charges lay concerning a text message he thought he had sent to his daughter Belinda. He was asking how he could make it bigger, referring to the font size on his portable electronic device. Several crude messages were exchange before he realised that it was not Binny his daughter but Binny the plumber he was conversing with.

Inlet – set the run on foot then walked home got his car and returned in it.

Binny – the plumber ventured from next door demanding his money back if the XXXX didn't satisfy his needs

A boy finished cutting the lawn of a priest...

The grass was very thick and long, and it took the boy about 4 hours to cut. He approached the Father for payment and the priest paid him $1.00. The boy said "Thank you, virgin Father!" The priest replied, "What did you say?" The boy repeated, "Thank you, virgin Father!" The priest asked him, "Do you know what that means?" The boy replied, "Yes... tight ass!"

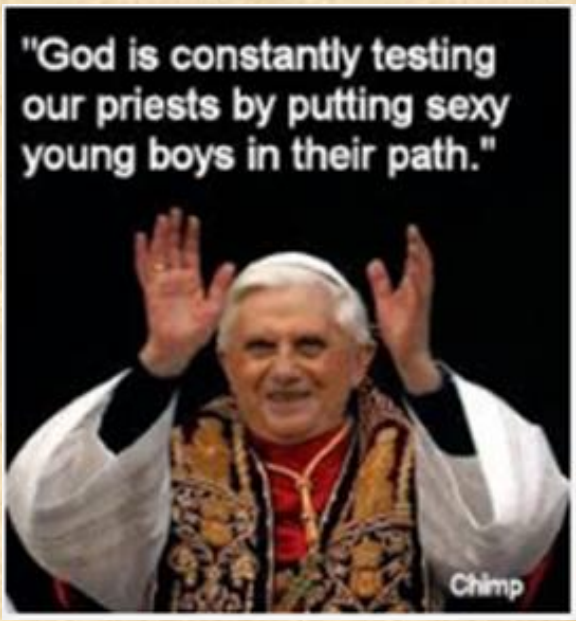
One afternoon after school Sister Abby saw three boys naked and rolling around in the snow.

She ran outside and said, "Boys, boys! What are you doing!"

The oldest boy said, "Father Porter always likes a few cold ones after class."

What are three words a woman never wants to hear when she's making love?
"Honey, I'm home."

A Hasher was in front of a judge. The judge says, "You've been brought here
for drinking." The Hasher says, Okay, let's get started."



The Blind Hashers SMS for help
