RUN No. 2247 6 Munford St Kings Meadows Hare: Goblet

LH3 Hash Weekly Bull Shit -

Run report for run 2247 – Creepy Santa's Christmas Run

Have we got the correct Hash Temple? Yep I guess this is the one because it's got girly Hash Chrissie decorations hanging all over the gate! But wait; there's a sign saying that this is the EX-Hash Temple. Confusion – quick, with all this embarrassing bling dangling everywhere lets just go in before anyone sees us!

Something just doesn't seem right when you see Goblet dressed as Santa. It brings back childhood memories of the Santa in Myer with his whisky breath and his nicotine stained finger rimming your anus (now, why do I have a picture of One Hump in my minds eye?). Apparently Goblet has set a run that did not lead directly to the King Meadows Hotel so perhaps some goody goody soft cock that went on it can insert the boring details in the space provided below;-

-INSERT HERE-

Those that hashed directly or indirectly to the local watering hole found that the KM Hotel had a selection of cold ales, draughts, and lagers to choose from and a bevy of attractive bar maids to serve.

ON ON:

Back at the ON-ON Creepy Santa was out of luck standing under the plastic mistletoe so he pulled out his Christmas sausage and provided a table of assorted nibbles and treats which was much appreciated by the gathering of hash children. Was that sleigh bells ringing? No it's one of Santa's elves ready to install cheer upon those deserving.

So Elf Blakey stood tall, told stories and gave out grails of beer;-

On Downs:

Goblet – Santa Hare
