RUN No. 2248 26 Morley Rd Trevallyn Hare: Tyles

LH3 Hash Weekly Bull Shit -

Run report for run 2248 – Tyles Home Handyman Run

Another wet day in Launceston I thought it was summer, Tyles well set run has been washed away. Most of the affluent LH3 troops are a spread around Tasmania at their luxurious holiday mansions at Lullworth, Bridport, Swansea, Four Mile Creek Waterhouse, Tomahawk Ansons Bay and a couple slumming it in the US of A and One Hump checking out the meter maid in Surfers but where is Abba. Not to be deterred by the inclement weather, no trail and a lack of runners, Tyles calls ON ON head down Pomona Rd till you find the house with the new front fence made from worn out recycled pallets. Pash says no one in the elite suburb of Riverside would have a pallet fence. Sure enough next to the ex G.M's Disease house the fence is found. Goblet shakes his head the owner of that property was once a councillor for the West Tamar Council. ON ON is called the next stop is a magnificent blue stone bungalow the owner is hewing out of irregular shaped slabs of stone. A true craftsman unlike our fencing contractor. The pack is getting peckish Bussy knows where there is a cherry orchard we can raid, ON On to the Max Fry Hall. The cherry's consumed it's time to head back to the ON Home site. We are waylaid by Binny who is thinning out his asparagus patch and convinces the pack to take a bucket full back for his neighbour Tyles.

ON ON:

The shrewd Hash Cash Pash has been pondering in his mind all night will I make it a free night tonight two weeks in a row. I will be the most popular Hasher since Tyles was the G.M way back in the year 2000.

Pash declares its a free night as he pulls out his microwave oven and heats up his left over Christmas dinner. No one is brave enough to ask why he did not eat it on Christmas day is he in the dog house??.

It takes the Hashers a while to realise they have been conned with the free night. The Hare Tyles gets it free as he sets the run, Bugsy has bought his usual three light stubbies, Goblet is only having two mid strength beers as he is driving as is our Metr bus driver Pash

Joke of the Week

Joffa took his 8 year old son to a Pies Game. At half time, an opposition supporter called one of the Pies cheersquad a transvestite, prompting Joffa's son to ask him 'dad, what's a transvestite?', to which Joffa replied, 'Go ask your mum, he'll know'.

Another Collingwood girl was involved in a serious crash, there's blood everywhere.

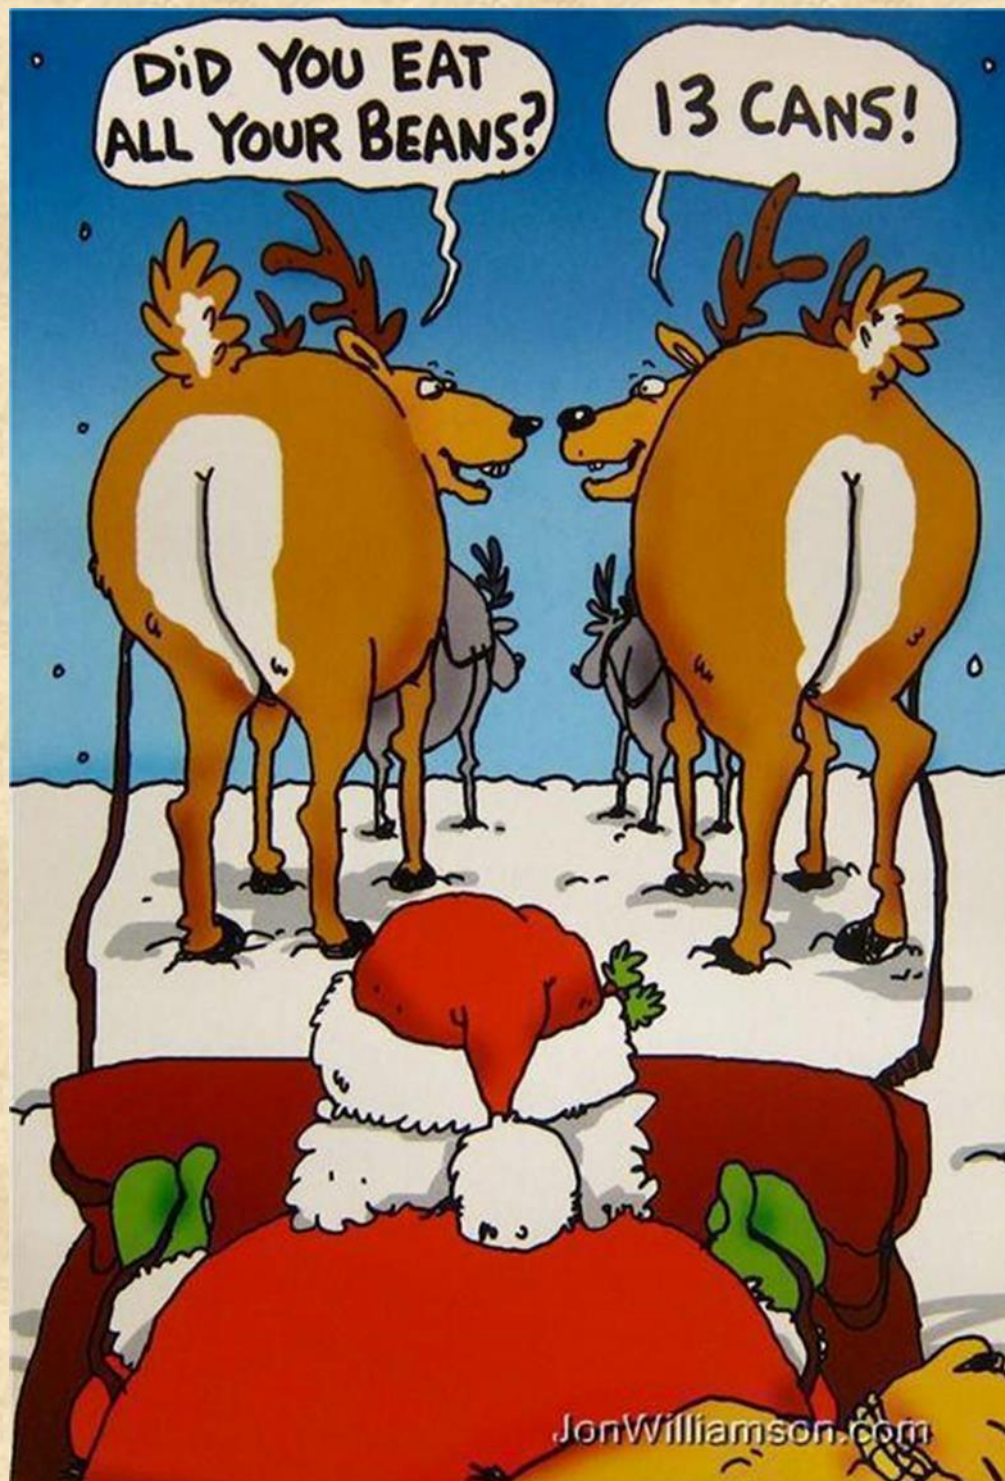

The paramedics arrive and drag the girl out of the car till she's lying flat out on the road.

Medic: "OK, I'm going to check if you're concussed."

Sharon: "Ok."

Medic: "How many fingers am I putting up?"

Sharon: "Oh my god I'm paralysed from the waist down!"
