Weekly Bull Shit -

Run report for run 2254 Abbas Erection night Marathon

That was really a Novelty Change the ***Outgoing Hash Scribe*** came up with on Tuesday Night. Well, if the President of the United States can use Twitter to **Blow his own Trumpet**, it will be quite in order for me to do the same for my Hash Run. The ***Outgoing Trail Master*** slipped a condescending remark about the Hare: **Why should you set a Run? You don't put in any effort to Organise it!** I just have to remind him that it is the **RUN** that is the foundation for HHH. It was so in 1938 and it is so now. So why should the Club be denied the services of the **Best Run Setter** in Club History? (only **DERBS** can challenge that title). The pack was sent away at 6:32 through a paddock full of grass. In ***Sophie Place*** the first spot of Baby Formula was found and the trail did NOT turn into ***Quarry Road*** but along ***Hill Street*** instead. Now it

was all Bush through the First Basin and up the steep hill that **BUGSY** used for our 2011 Nash Hash PreAmble. No checks or F.T.s were to be found. NO fuzz as the Run/Walk is the essential thing! By the way, time is precious. It took me 60 min to walk to **On Home** and another 30 min back to **On On**. The way back went through **Duck Reach Power Station** and along the trail to First Basin. Some Hashers took that route while others like **Loggy** (with Local Knowledge) knew that the Denison Car Park was a much better alternative. A good run in Good Weather Conditions.

ON ON:

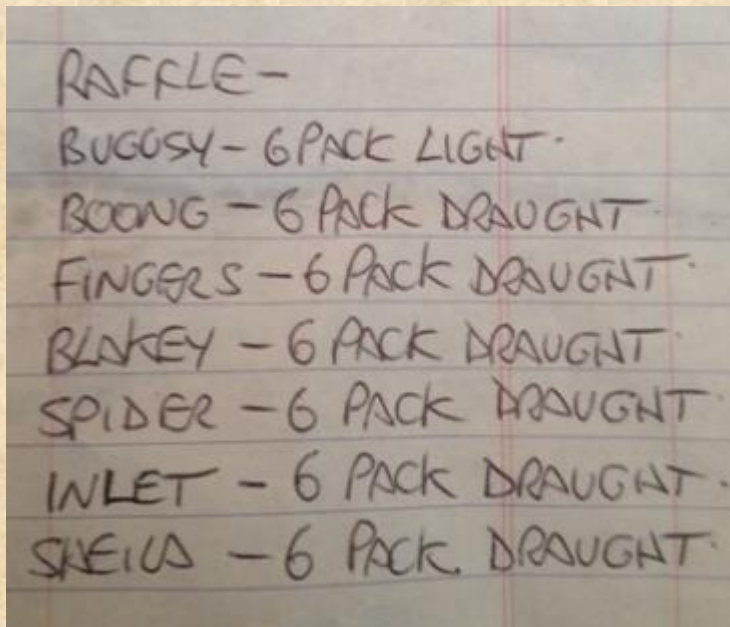

It's sad to see that almost HALF the Club did NOT even make an effort to do the Run. Two Hashers, **SHEILA** and **SCARY** may be excused as they already WALKED from Riverside but this did not deter **SCARY** from doing the run. The Down Side of that was they had to Hitch a ride with **INLET** back home. A nice Evening when most Hashers complimented the Hare for his endless supply of wood for the fire pot and his Excellent Skills in Landscaping. Very few Skolls (ONE!) which was quite O.K. as it was **ERECTION NIGHT**. **RICKSHAW** was forced to recognise that he will be our NEW GM. He will hand over the HASH HORN to **ABBA**. **SCARY** will continue as HASH HOPS. And **HASH PASH** will be HASH CASH again. New JOINT MASTER is **BEND OVER** and **INLET** will be THE HASH LIP. **BOONG** will return as MONK. **DELLY** is our new TRAIL MASTER(Summerhill 4-ever!). **BUGSY** will continue as WEB WANKER.

Goblets Rigged Raffle:

Goblets year as the Monk has come to an end, there are enough left over prizes for every child to win a prize in his final raffle.

Goblet has raised over \$2000.00 during the year and has had some great prizes. Well done Goblet

Joke of the Week

A redneck went to the hospital, as his wife was having a baby. Upon arriving, he sat down as the nurse said to him, "Congratulations, your wife has had quintuplets, five big baby boys."

The redneck said, "I'm not surprised. I have a penis the size of a chimney." The nurse replied, "You might want to consider getting it cleaned. They're all black."
