RUN No. 2272 311 Wellington St South Launceston Hare: Abba

Weekly Bull Shit -

Run report for run 2272 Abbas no Marathon & No Beer

Run

This was Not an ordinary **ABBA Hash RUN/WALK** . It was rather Short and a lot of Grass/Bush walk mixed up with Alley walks just to confuse the Walkers. Everyone was confused with the final stage of the run as it turned from Bennet St into a paddock that ended in Punchbowl Road(Where the **On Home** was) This was a section that **BALL POINT** used in 2009. But most Hashers will have trouble to remember Last Weeks Run (Perth set by **BOONG!**) let alone a run set 8 years ago. I should have marked it with flour instead of out of date Baby

Formula. The start was quite easy as it had a loop around Glen Dhu and **BOONG'S** Former/Present Work place. Then up Leslie St and onto BelleVue Av. Past the residence of our beloved **G.M.** Then up a trail to Talbot Rd where a walk-way took the trail to Kerran Crs and to the confusing end. Not one of my best runs But different. A good thing that **DERBS** did not turn up-he would have been dissapointed as it was so short. Definetly not in the race for the best winter run of the year but is currently leading in the race for the Cock & Balls Trophy.

Version one

As it was a pub run the question on everyones mind was: What about the Beer? It was 12 walkers who left 6:45 (quickly joined by **BUGSY** who arrived straight from the Airport). A few (3) late comers soon joined the table. **TILES** returned from the Run with an upfront question: *What have U organised with the Beer U Swedish F- Wit?* As I was sitting next to our HASH CASH I let him answer the question: We don't have enough cash for a barrel so the G.M. has to decide. The G.M. had already taken some action by asking **SCARY** (the previous Hash Cash) if we could have a barrel and got an affirmative answer. Then totally forgotten that **SCARY** is NOT the present Hash Cash and that it was him who got Historic when he managed to Bankrupt the Club as G.M. in 1996. We should be grateful that we have **HASH PASH** as supervisor of our Meager Resources. He managed to negotiate a special price for the beer jug with the Bar Man. So when the cash limit reached a critical level he promptly announced NO MORE BEER! This was a call that made the majority of us to leave the premises. But not **TILES** and **INLET** who continued their drinking session. **Inlet** told us: ***I can't turn up sober- My Missus will think I've been up to Something!***

As it was a pub run the question on everyones mind was: What about the Beer? It was 12 walkers who left 6:45 (quickly joined by BUGSY who arrived straight from the Airport). A few (3) late comers soon joined the table. TILES returned from the Run with an upfront question: **What have U organised with the Beer U Swedish F- Wit?** It is not my job to organise the beer I only set the run.. Not quiet correct says Hash Hops Scary. The Hash Hops makes sure the barrels are ordered its the Hares responsibility to make sure it gets to the run site. The kitchen staff start bringing out meals calling Hash names Scary, Rickshaw and Bong. Who the bloody hell is Bong??. The chef says I wish you bastards had told us you were coming tonight we would have been a bit more organised. The barman says if we knew you were coming we could have organised a special keg as you buy all your beer from us. Hash Pash negotiates a special jug price of \$16:00 down from \$22:00. Nineteen jugs later we up up for \$300:00 not sure who has taken the club to financial ruin.

So when the cash limit has far exceeded a critical level Hash Pash promptly announced NO MORE BEER! This was a call that made the majority of us to leave the premises. But not TILES and INLET who continued their drinking session. Inlet told us: *I can't turn up sober- My Missus will think I've been up to Something!*

Joke of the Week

Two parents take their son on a vacation to a nude beach. The father goes for a walk on the beach and the son goes and plays in the water. The son comes running up to his mom and says: "Mommy, I saw ladies with boobies a lot bigger than yours!" The mom says: "The bigger they are, the dumber they are." So he goes back to play. Several minutes later he comes running back and says: "Mommy, I saw men with dingers a lot bigger than Daddy's!" The mom says: "The bigger they are, the dumber they are." So he goes back to play. Several minutes later he comes running back and says: "Mommy, I just saw Daddy talking to the dumbest lady I ever saw and the more and more he talked, the dumber and dumber he got!"

BUGSY's Lost WEEKEND

By Abba the Swedish F'— wit football expert

BUGSY and MAGPIE decided to spend the Queens Birthday Week End in Melbourne. If you talk to BUGSY it was *A totally waste of time!* But then he fails to mention that they attended one of the most thrilling games of the season and witnessed a spectacular mark by Jeremy Howe that has been considered one of the GREATEST MARKS of all time. Yes they can be pleased when they sit among their Grand Children and can honestly say: Yes, we were there-We saw it!
