RUN No. 2276 6 Munford St Kings Meadows Hare: Hash Pash

Weekly Bull Shit -

Run report for run 2276 Hash Pash's Busmans Holiday Run

Another cold night in Launceston a good frost early today down to -2^{oc}. Will this keep the sludge arses in doors. Abba is navigating himself to the run tonight as Scary his copilot is overseas will he get lost or arrive on time? 6:30 Pm comes and goes no Abba, a minute later he arrives limping down the drive way Ya Ya I am here finally found the Temple on my own. Pash says well we had better kick off. The trail headed down Munford street Right on to Hobart the clearly marked trail continued down to Risley St and then into the Meadow mews carpark through the smoking alley at the back of the shopping complex then right onto Guy street Left onto Bond street where the pack lost the trail. Goblet checking hardest finds the trail heading up the hill to Ernest street down the steep Ernest St hill along the flat to Kay St then left onto Guy Street past the Hares best mates old home then along to Blaydon St Hard left onto Hobart Road across the lights where Electric Eric collides with a black SUV. The trail then heads north to Innocent street the ON HOME is found at the corner of Lincoln and Inocent street. All of the Boys decide 40 minutes is not enough Bendover becomes the live Hare and leads the way towards the Punchbowl reserve sanity takes control as we hit Punchbowl Rd. Bendover turns left taking us back to the six ways 400 metres away from the HASH TEMPLE .The standard Bus man's run number 4 in reverse, a bit short but kept the boys together and never too far from the On Home site. Not the best run of the year but a long way from receiving the Cock and Balls Trophy which is still within Abbas reach. Will someone be able to wrestle it off him??. Still plenty of time for other contenders to have a go at this prestigious award.

ON ON:

Pash who is on holidays has spent most of the day polishing his new caravan to impress the boys. It is neatly parked in the new carport next to the beer trailer ensuring no one misses his new toy. Speaking of toys Pash has had a break in during the week, thieves making off with his prized Guitar. Some are saying it was the next door neighbor who is pissed off with Pash's jamming sessions but that's another story. RACT insurance are paying through the nose to replace his \$25.00 guitar which he has told them it was recently valued at \$2500.00. The old hot water cylinder fire pot is cranked up to the max to stop the frost settling on slow moving Hashers no need for Ice to keep our beer cold tonight. Bendover rings the bell to get the Lip Session under way. Abba breaks the ice with another of his again the punch line is lost in the Translation. Tyles and Sheila entertain the troops with a joke each nothing lost in their translation

On Downs:

A Launceston phone company was upgrading Cash Converters in Hobart to the NBN last week. The store manager was getting a bit agitated the Internet had been down for forty minutes. How much longer will it be he kept saying I have a customer out there waiting to buy my entire stock of smut videos, I cannot let them get away. An opportunity like this only comes along once in a life time says the manager. The technician looks through the one way mirror and sees Abba and his boys with a wad of cash in their hands. Never fear says the technician you can connect via my Mobile Hotspot Tethering. The deal is done Abba hands over the cash and disappears amongst the crowd. Up you get **Derbs** for saving the day. Maybe Abba will be skulling next week for travelling to Hobart to source Smut Videos. The only other On Down tonight was the Hare: **Hash Pash**

Thursday 20th July 4 Bay View Drive Blackstone Heights **Hare:** Mr Sheen.

Joke of the Week.

There was an earthquake at the Christian Brothers' monastery in Ballarat and it was levelled. All fifty brothers were transported to heaven at the one time.

At the Pearly Gates, St. Peter said, "Let's go through the entry test as a group. Now, first question. How many of you have played around with little boys?"

Forty-nine hands went up.

"Right!" said St. Peter. "You forty-nine can go down to hell Oh, and take that deaf bastard **George** with you!"

What is a Redneck's defense in court?

"Honest your Honor, I was just helping the sheep over the fence."
