Weekly Bull Shit -

Run report for run 2262 Bendovers No Barking Dogs Run

Goblet arrived early to get the best parking spot for the Captiva and had to sit around the fire pot which Bendover,s wife had lit (as all good Hashers wives should do) till all the rest of the hashers arrived.

At 6.35 the hashers were sent on their way

The barking and yapping of dogs commenced as soon as Abba put the horn to his lips and never stopped till the last Hasher returned home. Down Fryett St across the H'wy and up the back of Yarloop St down a lane way back onto Yalooop up to Magnet St into another lane way that followed the fence line leaving the Paris end of Waverley to Ravo Rd.

Then a lap around the dam.

By this time Delly & Electric Eric had decided they had had enough and headed home (Delly

needed a crap) and Electric Eric did not want to see him walk by himself as he might get mugged.

The run continued with a loop up Carlisle St then across the main Rd up Regent St where a check was found the trail was found down Emta St where a false trail was found which got everyone except for Fingers.

The trail was found on Renfern St and did a lap around Bendover's house before going down Humphrey St to find the On Home near the bus stop on the main Rd. where Fingers had found some chalk and signed the on home.

As all the hashers returned they were heard saying another run in Waverley without getting mugged or mauled by dog's must be the BEST WINTER RUN OF THE YEAR HAIL BENDOVER GIVE HIM THE GRAIL!!

ON ON:

Karen's fire pot is a welcome sight as the pack returns safely from a chilly run which went close to Bogan Ville A.K.A Ravenswood. Karen has been busy while we were away opening bags of nibblies to be washed down with cold XXXX mid strength beer. Hash Pash is quick off the mark calling we know who has not paid but his off sider Boong the Walkabout Monk is a bit slow in getting the raffle underway. Last year's Monk will need a word in Boongs ear on how to fleece his fellow Hashers to maximise his profits. Tyles is not with us tonight so the dry wood in Bendover's new wood shed will be safe till his next run.

The Walkabout Monks [Boong] Rigged raffle:

Bugsy: Bag of liquorice.

Abba: Hashers cap.

Scary: folding camp chair.

Thumbs: Bottle red.

Blakey: Six pack

Crayfish: Blakey.

On Downs:

The first to have a drink tonight is the Hare Bendover.

Marriage is not to be taken lightly it is said a happy wife happy life. One of us has lived by this rule for the last 22 years. That time of the year has arrived again 23 years of married bliss where will I take her out to tonight??, something not too expensive close to home. Into the car they hop the wife is thinking will it be the Black Cow, the Terrace at the casino. She was very surprised when the puled up at the golden arches of Three Steps on Maccas at Kings Meadows. Up you get Husband of the year Blakey

Macca's at Kingsmeadows
Blakey good choice
