A RUNNING PROBLEM**

RUN No. 2265 6 Munford St Kings Meadows Hare: Hash Pash

Weekly Bull Shit -

Run report for run 2265 Hash Pash's Anzac Day Recovery March.

LEST WE FORGET was the last thing the Lip Inlet said to the Hare Hash Pash as he left the Hash Temple don't forget to send the Run report to Buggy before Sun down on Sunday. Sure enough the Hare has forgotten can we put it down to the fact his beloved team **Collingwood** lost the feature game of the week.

REMEMBER OUR FALLEN

ON ON

Anzac Day is with us again, some of us have been up well before dawn to attend Dawn Services in the rain, followed by the compulsory quaffing of ale at the local RSL. These Hashers returned home for a quick nap then up again to watch the Mighty Bombers Down the Magpies who appear to be suffering a bout of the Collywobbles (The phenomenon by which the **AFL** team, Collingwood manages to start a season well only to fall apart in the second half of the season, much to the frustration of their many fans.***) and have the audacity to put the blame on their coach Nathan. Will it be Nathan who in a couple of weeks. A brisk walk in the cool night air of Kings Meadows has woken the Hashers who have had a big day and they are ready for another bout of ale quaffing. We have a visiting Hasher with us tonight Jack the Ripper from Wagga Wagga he has recently relocated to Launceston Launceston. Sheila has called in the Auditors as he has found a discrepancy in the J.M's Footy Tipping score sheets what does $26+8=??? 32$ or 34 . Out come the calculators a quick change to the running tally sheet as $26+8=34$. Essendon, Essendon is there another team in the AFL one would think there is not as they are the only team that has been the topic of conversation tonight will the Essendon jumpers and scarves be back out next week. Boong the super Monk has his raffle books out and achieved what no other monk has done, that is selling Deep Shit a raffle ticket two weeks in a row.

The Lip calls quiet form a circle a quick tribute to all service men/ women past and present and the ON Downs are underway. The Lip has forgotten to turn off his head lamp which rivals any aircraft landing light for brightness and spoils most of the photos taken during the lip session.
